NOTES:

1. I am not sure that Maurice BODDY was aware of the footnote to p. 18 of Gerald PAGET'S 'Lineage & Ancestry of Prince Charles', Volume I, on the Hailes Abbey Chronicle.
2. American sources, notably Douglas RICHARDSON, place considerable reliance on the ancestry of the Dukes of Beaufort, e.g. p. 234 of THE COMPLETE PEERAGE, Volume 2.
3. My case rests on Joyce la ZOUCHE, wife of John de BOTE TOURT, 2nd Lord, being the daughter of Eleanor de CLARE.
4. One of the LA ZOUCHE'S, William (1276-1351/52) was involved in the death of my gay ancestor, Piers de GAVESTON.
